15	History Trivia	Glen	
16	Thank you and Adjournment (Vote)	President	-
17	Virtual Mix and Mingle	All	-

Board Candidates

David Chapman

I have been a resident of West Willowdale since early 1983 and live on Diagonal Road with my wife as well as my eldest son and his family. We modified our 1950's side split home in 2009 to construct separate living quarters for them. I retired in 2010 after having spent some 46 years in the International transportation industry. I now spend my days in my workshop, the garden and improving the property. I am a very keen supporter of the community where we live and follow the developments in the area closely.

Eugene Terenzio

I moved into the Willowdale neighbourhood 8 years ago. I am presently working as a Realtor with Royal LePage both locally and throughout the GTA, since 1987. I like to walk, an avid fisherman, skier and still enjoy a weekly hockey game. My goal as a member of the WWNA is to guide it through its growth period and to help in bringing the community together.

Michelle Oliveira

Michelle Oliveira and her husband Kirk have lived in West Willowdale neighbourhood since 1995 on Park Home Ave. In 2011, they tore down a bungalow and built an eco-home – here is the blog. She is the owner of two home-based businesses offering marketing project management consulting and social media marketing services and an Advisory Board Member of the Canadian Association of Marketing Professionals. She is actively involved in the neighbourhood, as a founding member of the WWNA since 2014, a parent council member at both elementary and secondary schools in the area and is actively involved in other volunteer activities.

Christopher Pereira

My name is Christopher Pereira and I live at 114 Ellerslie Ave. I have lived in the Willowdale area since May 2000. I am married and have two daughters. I am a Sales Director at Ericsson Canada, and we are currently building the Rogers 5G wireless network. I am interested to join the board and help the Willowdale West community in any way that I can. I am currently an active volunteer with Neighbourhood link and have been dropping food bank deliveries to the less fortunate and groceries for seniors throughout the pandemic.

Gary Manoim

My name is Gary Manoim, I reside at No. 5 Diagonal Road and am a long-time Willowdale resident. I own my own company. I am interested in community affairs and the neighbourhood in general and feel I can contribute to the community through the West Willowdale Neighbourhood Association.

Jeff Oulahen

I'm a passionate Realtor® and Developer with extensive knowledge of the area. I have lived in Willowdale since the age of 6 and now call it home to our brokerage/development business and home for my family, wife and three young girls. Home is in West Willowdale, just west of Beecroft on the south side of Churchill. I earned a business degree from Wilfred Laurier University and attended high school at Brebeuf College School. I am very knowledgeable on developments coming and past projects in the area. We have also completed numerous commercial projects in the area. I also was a volunteer director and past president of Yonge Hearts Child Care Centre. Currently I am also volunteering my time as a director for the new Willowdale BIA. I will bring my knowledge of the area, real estate, development, and marketing expertise to the board. I hope to continue to assist in creating a community that all will enjoy.
